MSE
undergrad news
September 2016

With Registration and FASET behind us, it is officially RECRUITING season! The Career Fairs begin on Sept. 12 with the GT All Majors Fair from 9:30 – 4:00 in the Campus Recreation Center (CRC) and the MSE Career Fair on Sept. 12 from 4:00 – 8:00pm in the Klaus Bldg. Atrium area. Registration is required for the MSE Career Fair but is not required for the GT fair. Please plan ahead to bring several copies of your resume, your smartphone (if you have one), a notebook and Pen/Pencil. To see a list of companies already registered for the fair you can visit the [career fair website](#). For you students wanting an Internship for next summer, you should make a strong effort to attend one of these Career Fairs. Fall 2016 Graduating students looking to go directly into industry, you don't want to miss these opportunities.

Undergraduate Academic Advisor

Group Advisement - Coming Soon

We will be instituting Group Advisement as a new model this term. The goal is to disseminate information that is relevant for each student group in one setting. We will begin this new format in the next couple weeks, so be on the lookout for information via email.

Summer Classes Transfer Credit from Another College

If you've taken classes at another college this summer and want to have the credits transferred to Tech, you'll have to request for your transcript(s) to be sent to the GT Registrar office so your records can be updated. These classes won't factor into your GPA calculations but will be listed as transfer credits.

What is Career Buzz?

It's a GT recruitment and management tool for new grads and recent alumni to access employment. For more information click [here](#).

GT Resume Blitz

September 6 - 9
10am - 3pm each day

Study Abroad Fair

October 4, 10am - 2pm

[Study abroad FAQs](#)

Interested in undergraduate research?

Contact the faculty member you'd like to work with to express your interest in research. If you don't have a specific professor in mind, email [Renita Washington](#) and let her know you are interested in research. She'll distribute your resume to the MSE faculty listserv.

Undergraduate research is not limited to MSE.

[Online application](#) for Spring 2016 graduation is now open.
